Township News

2010 Census show there was a slight increase in population in our township.

We have had a good year despite revenue cuts. Our budget is balanced with a small reserve.

Roads: We increased the amount of money for funding to take care of roads such as Baker, Fike and Water.

TWP Office: has a new paved parking area.

Cemeteries: have had a facelift with tree trimmings, fence posts and signs.

Swanton Hall: needs a new roof. There is a new person to contact for reservations, which is Debra Johnson @989 689 3885.

Parks and Recreation committee has applied for Grant Funding for the initial parks and walking trails.

Museum: We are looking for support and volunteers to work on the Historical Committee, you can contact Bob Johnson 989 689 3655

Municipal Water: is in progress despite all the rain, which has caused some changes in sequence of construction operations. Complete restoration may be into summer of 2012.

Weed Control will be in progress as soon as the weather allows. The rain again has caused a delay.
