

Agricultural producers and private landowners in this area are eligible.

The Upper Tittabawassee River Regional Conservation project was allocated \$650,000 in funding from the USDA for conservation financial assistance to agricultural producers.

Some of the conservation practices eligible for financial assistance through the project include; cover crops, nutrient management plans, and conservation buffers and filter strips.

Current sign up deadline is March 31, 2023

Additional application selection dates for funding through the initiative will be announced over the five-year term of the initiative or until all funds are depleted.

Join us for 2 informational workshops. (Hosted 2 days for your convenience!)

February 23, 2023 - 9am to 11am

and March 2, 2023 - 6pm to 8pm

**Location: Swanton-Edenville Township Hall,
6460 N. Water Rd. Edenville, MI. 48620**

This material is based upon work supported by the U.S. Department of Agriculture, under the Regional Conservation Partnership Program Supplemental Agreement number 2540
