Gosen called the meeting to order at 7:00 p.m.

The pledge to the flag was recited.

All board members were present.

Carey motioned to approve the meeting agenda, Schultz seconded and the agenda was approved as presented.

Gosen motioned to purchase up to \$120.00 additional rip rap rock from DeLisle to fill in holes in the bank of Harper Park to slow down erosion. Schultz seconded and the motion passed unanimously. The work will be completed Saturday, June 2, in the morning.

Gosen motioned to contract Yeager Asphalt to fix the erosion problem in the Harper Park parking lot by installing a trench drain and crack seal for \$4,068.00. Work to be completed by the end of June. Carey seconded and the motion passed unanimously via roll call vote.

There was no public comment.

The draft budget was reviewed line by line from spreadsheets prepared in advance. Adjustments were made as appropriate. It was decided we probably wouldn't need the second budget workshop scheduled for Wednesday, June 13 unless major issues with the worksheets arose this week.

Carey motioned to Adjourn, seconded by Schultz. Meeting adjourned at 8:38 p.m.
