

# Edenville Township Notification

-Intended for residents located in Edenville Township

Edenville Township, in conjunction with Republic Services, is pleased to announce a new expanded, curbside recycle collection program and a new solid waste service day for Edenville Township. Starting in January curbside recycle will now be available. This new recycle service will be collected on a **once-a-month** basis. **Starting in January both trash and the new recycle collection will be serviced on Monday's.** Please refer to the 2018 calendar included with this flyer for your new recycling schedule. All other services will remain the same.

## *How will this system work . . . ?*

Republic Services will continue to provide each household with one (1) 95-gallon curb cart that has the capacity of (3) 32-gallon trash cans and a new 95-gallon recycle cart (light blue lid). On your collection day, simply place your Carts at the curb with the handle facing your house. Make sure you have a minimum distance of four feet from other objects such as mailboxes, parked cars, and even your bulky item. Republic Services collection truck will then pick up the Cart, empty it, and return them to its original location. It's that simple!

## *Solid Waste Collection . . .*

The Curb Cart should be placed at the curb NO LATER than **6:00 AM** on your collection day (Monday). If you have more waste than what your cart can handle, please bag and place NEXT TO the cart, NOT ON TOP of the cart. The driver can easily empty the cart, then refill it with the other bag(s) and empty again. Generate more than the contents of one cart? Need another cart? Please contact Republic for details.

## *Recycling Collection...*

Recycle Carts should be placed at the curb NO LATER than **6:00 AM** on your collection day (Monday). The new curbside, carted recycling will be serviced on a **once-a-month** basis. Please refer to the NEW Acceptable Material Guidelines included with this information packet to find out what can now be recycled. Generate more than the contents of one cart? Need another cart? Please contact Republic for details.

## *Cart Care . . .*

With the right care your new Carts will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce the need for periodic cleanings. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. If it is lost or stolen, please provide the serial number to the police then provide

a copy of the police report to Republic. We will provide you a replacement at no additional charge.

## *Moving . . .*

If you move, do not take the carts with you. The carts have been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

## *Prohibited Items . . .*

Items prohibited are: dirt, sod or rock, hazardous waste of any kind, liquids of any kind including paint, flammable materials such as oil, or gas, concrete, hot ashes; yard waste of any kind, large amounts of remodeling or demolition materials, whole tires or any other material to be determined as prohibited by State Statute.

## *Holidays . . .*

When a holiday falls on or before your collection day, there will be no collections on that day, and the rest of that week's refuse and recycling collection will be one day later than usual.

Holidays observed;

New Year's Day, Memorial Day, Independence Day, Thanksgiving, Labor Day & Christmas Day

## *Bulky Item Collection . . .*

Republic asks that bulk item pick-up requests be called in for service and then placed curbside each week for collection. Bulky Items shall be bundled in parcels not to exceed two (2) foot by four (4) feet in length and/or fifty (50) pounds in weight.

## *Inclement Weather . . .*

In the event that Republic is unable to provide service due to inclement weather, collection will take place the next day following the scheduled collection day, or as soon as weather conditions allow. The Township will immediately be notified should service be interrupted due to bad weather conditions. Please feel free to contact Republic if you have any questions regarding service during inclement weather.
