Internet Access for Residents Applying for Federal Assistance

Persons applying for Federal Emergency Management Agency (FEMA) assistance following the May severe storms and flooding that need access to a computer or the internet to aid in the application process can go to the following locations during the days and times scheduled below beginning July 21st through August 22nd, 2020.

These sites are considered public facilities and residents are required to wear masks while conducting their business.

First United Methodist Church – 315 W. Larkin Street, Midland, MI 48640
Tuesday: 8 am – 12 noon
Wednesday: 4 pm – 8 pm
Saturday: 9 am – 1 pm

Access to the building will be off the Larkin Street side (signs will be posted). Parking is located across Larkin Street in the City Hall lot or in surrounding public lots.

Computers, wireless internet and printers will be available for residents to access their online documents needed for federal assistance and the FEMA application.

Jerome Township Hall – 737 W. Beamish Rd, Sanford, MI 48657
Wednesday: 8 am – 12 noon
Thursday: 4 pm – 8 pm
Saturday: 9 am – 1 pm

Computers, wireless internet and printers will be available for residents to access their online documents needed for federal assistance and the FEMA application. This location is offering wireless internet access from the parking lot which allows for residents to stay in their vehicles and use their own devices.

Volunteers at these locations will be available to provide computer assistance but are not representatives of FEMA and will not be able to assist with the application process or FEMA questions.

Residents seeking assistance must apply through FEMA before **September 8, 2020**. The information previously collected from flood victims by the County for damage reporting was not submitted to FEMA.
