

Edenville Township Parks and Rec Committee

Approved Minutes

April 26, 2021, 6:30-8:10pm

In attendance: Terry Hall, Mary Herkner, Bob Johnson, Mary Beth Seasholtz

Housekeeping

- Minutes of March 22 and April 6 were approved. Motion: Mary Herkner, second Terry Hall. All in favor.
- Monthly meetings will be scheduled through 2021; first Monday of the month, 6:30pm.

Parks & Rec 5-Year Plan

- Next steps are (1) MBS and Pam speak and (2) Pam gets the grand tour of the Parks in the Township. Both are not yet scheduled.

Harper Park

- We debriefed about the discussion with the DNR on April 21. It is now clear what we can or cannot do at Harper Park. Minutes from that meeting will be circulated and then approved; board will receive the approved minutes.
- The Parks and Rec Committee will make a recommendation to the board about whether we should go with FEMA or go on our own to repair Harper Park. This was discussed and we will use the May 3 meeting to flesh out the statement.
- It was brought up that we should do 2 additional things at Harper Park during the repairs, (1) stain the wood, and (2) increase the drainage for the parking lot.
- Where are we with repair estimates?
 - Lapham: Increased the estimate from \$200,000 to \$208,100.
 - Fisher – Has not responded; drop engagement for now.
 - JBS Engineering and Design Company: This is the firm that designed and built the Firehouse. Bob spoke with them & they are interested in bidding; Joe Claybaugh, JBS Contracting, [989-773-0770](tel:989-773-0770) (office), [989-621-3896](tel:989-621-3896) (cell). No estimate yet; Bob will call them.

Gransden Park

- Two estimates have been submitted for the Playground equipment painting; waiting on one more, due by May 7.
- SYL Games start May 1; practices have been happening since early April.

Swanton Hall

- Estimates for staining items at Swanton Hall: (1) play structure, (2) picnic tables and (3) Sign by Water Tower. Let's ask the people who are going to stain the township office; ask Anedra who they are.
